From the Principal's Desk *Lachie Featherston*

At Rye Primary School, we are very fortunate in having the greatest volunteers and helpers in the universe! Our volunteers and helpers are genuine friends of our school and we appreciate their contribution to the education of our students. The skills and expertise offered by our helpers is respected and admired. Their help is often critical in ensuring the success of extra educational opportunities we offer our students. A few of the areas our volunteers have supported this year include: classroom reading programs and resources, breakfast club, whole school production, school band, bike mechanics program, sporting events, camps and excursions, library, parent club, and school council.

On Tuesday this week, we had the opportunity to thank and acknowledge our helpers and volunteers at a special morning tea. We look forward to continuing and developing our relationship with our volunteers into 2020 and beyond!

Looking across the next two weeks, we have many excursions and events on. Please login into compass and set notifications on your phone so you are aware of any changes of communication regarding these events.

Our Grade 6 students are headed to Waratah Bay for camp and will be looking forward to their final week at Rye Primary School, which includes their graduation next Tuesday. I encourage all students to finish the year off strongly as well as reflecting and being proud of their achievements throughout the year!

Have a great week,
Lachie Featherston

RYE PRIMARY SCHOOLS RANDOM ACT OF KINDNESS

This week our random act of kindness is about a wonderful volunteer at Rye Primary School. On Tuesday this week, we had a special morning tea to celebrate and thank all our amazing volunteers at Rye Primary School. Our Christmas carols was another successful event that we had this week. Our act of kindness this week goes to Alice Bainbridge who volunteered her time to come and paint our students faces. Alice is a past student of Rye Primary and we are very proud of her kind and caring nature. Thanks Alice!
Have a great week!

ART NEWS

This photo makes me so happy! The mural of Bundjil is up and overlooking the Peace Garden. This year has been a learning journey for me both personally and professionally as I endevoured to make connections within our Indigenous community in the hope that I can share First Nations Peoples' cultures and perspectives through the arts. It is important to me that this is done respectfully and sensitively and this mural has been encouraged and approved by Boonwurrung Elder, Aunty Fay Stuart Muir. Katie Wettenhall.

WOOD WORK Picasso creations! There are some great pieces of art from the 5/6s. They have really enjoyed this topic and have come up with some very creative designs.

CHRISTMAS!! We have been busy creating our nature inspired masterpiece for the Anglican Church's annual Christmas Tree Festival. Check it out if you can!
