From the Principal's Desk *Lachie Featherston*

Its officially whole school production season and our students have been hard at work learning new lines, dance moves and words to songs. No doubt, you also know the words to the songs too by now! Natalie Parker has been very busy writing and planning the performance, she has been putting in a lot of work to ensure the performance's success - thanks Nat!

Our Grade 5 students were fantastic on their camp to Sovereign Hill last week. They immersed themselves in the 1800s experience, participating as students in the schools program, wearing full dress from the era. Thank you to our teaching staff - Deb Jordan, Caitlin Beattie and Lauren Eagles, as well as parent helpers Chris Wadds and Ev Burton for their efforts in ensuring a successful camp.

To round out the week our Grade 3 students set off for an overnight camp to the Briars Camp at Mt Martha. They challenged themselves on the adventure-based activities, enjoying the broad range on offer. Thank you to our teaching staff Kiah Fry, Meija Wood, and Ishka Pluckrose for running the camp, Col Carter for planning and our parent helpers Aaron Trotter and Ben Fahey for providing our students a memorable experience.

The Preparing Our Preps transition program has been in full swing over the past few weeks as our current prep teachers welcome and spend time with our 2020 enrolled prep students. It has been wonderful to see the fresh and happy faces of Rye Primary School future students enjoying themselves and becoming more familiar with school life. We are continuing to take tours for enrolments. If someone you know would like a tour of the greatest school in the universe, please let them know to call the office to book one in.

A big thank you to Libby Keane who has been our business manager throughout the past two terms. Libby has done an enormous job and helped us out greatly during her time at Rye Primary School. She will be returning to her base school next term as our substantive business manager, Mauyra Marsh, returns from leave.

A very eventful term 3 draws to a close this week with a student favourite, Footy Day! Well done to all of our Rye PS students for their hard work throughout the term. They have been challenging themselves on a daily basis to continue to stretch and achieve their personal best. Our teachers and ed support staff have loved helping the students grow and learn and look forward to massive term 4. Our staff will be creating 2020 grade lists early in term 4, please notify me in writing if there are any considerations that affect your child's learning or well-being you would like us to take into account.

Stay safe and have an awesome term break!

RYE PRIMARY SCHOOLS RANDOM ACT OF KINDNESS

This week our random act of kindness story is about a wonderful Prep student, Sonny Marshall from Miss Riordan's grade. We have had several new students start at the best school in the universe this year and another new student began this week in Miss Riordan's class. Sonny was so enthusiastic about this and said, "I love it when new students come to our grade!" Thank you Sonny, we are so grateful for your positivity and we welcome all our new students to Rye PS!

Have a great week!
