ANZAC Day

From the Principal's Desk *Lachie Featherston*

This week began with our Harmony Day celebrations. Harmony Day celebrates Australia's cultural diversity and is centred on inclusiveness, respect and a sense of belonging for everyone. I hope that our students demonstrate their values not only with cultural diversity but also in all aspects of their daily interactions with others. Rye PS students celebrated the day by dressing in traditional dress from other cultures, wearing the official Harmony Day colour- orange, participating in multicultural activities and enjoying a whole school picnic.

It was great to see so many families attend our family fun night last Wednesday. Students participated in a range of traditional style events such as the egg and spoon race, wheelbarrow race and three-legged race. Other events included a frisbee toss and a beanbag race for the prep students. Thank you to Tom Campbell & our specialist team for the organisation of the event and the students, families and staff members that attended on the evening.

At this month's school council meeting to be held on Tuesday, we will be thanking and farewelling some 2018 School Council Members who are leaving. Anthony Smith, Evelyn Burton, Mel Mavridis and Hayley Philpott were valuable members on School Council and we would like to thank them for their contributions to Rye Primary School. We will also be welcoming Amanda Henderson, Chantelle Waterson, Jacqui Salter and Leanne Bainbridge as new members to the 2019 School Council. We have a number of returning members including Kane Eagles, Elise Pentland, Sarah Race, Mick Findlay, Rikki Burgess, Braillen Jennings, Lesley O'Hanlon and Lauren Eagles (filling the AP role). A photo of our school council will be in a newsletter in coming weeks so you can put some faces to names, as their role is an essential part of our school.

Rye Primary School's Out Of Hour School Care operator, TheirCare, will be holding an Open Day with a BBQ this Tuesday between 3.30pm-6.00pm in the canteen area of the school. This is a fantastic opportunity to meet the business owners, managers and the staff here at RPS. If you are interested or considering before or after school care for your child, I encourage you to come and say hello!

Finally, a huge congratulations to Captyn Dowell and his wife Beck who welcomed their baby girl, Olive, into the world on Thursday last week. We wish the Dowell family all the best for this very exciting time!

ART NEWS

For the last couple of weeks in the art room we have been exploring line and colour. The 3/4s and 5/6s enjoyed learning about M.C. Escher and how he used lines and shading to create optical illusions. Here are two examples of their amazing pieces of artwork, which are on display in the art room. The 5/6s focused on shading and tone and used complementary colours to make their artwork stand out. The 3/4s learned how to draw a three dimensional hand.

The preps and 1/2s explored the meaning of three dimensional through the creation of sculptures. Above is an example of one of the sculptures created by a very clever 5 year old!

Lastly, the students have been busy preparing for the Harmony Day celebrations. We talked about how art is used in cultural celebrations around the world. The children worked collaboratively to create beautiful artwork to decorate the stage. Below are the 5/6s making water resist paintings using symbolism to depict what is important to them. This artwork was then cut up to create the beautiful banners that hang beside the stage.

HEAD LICE ALERT

PLEASE CHECK YOUR CHILD'S HAIR TONIGHT!!

TO CHECK

Check the scalp for insects or eggs.

Use a fine-tooth comb on wet hair then comb through the hair in sections looking for eggs or lice, repeat over a few days.

TO TREAT

Wet the hair and scalp with conditioner or use chemical shampoo/ lotion (containing insecticide) – this will kill the lice and eggs. Using a fine metal comb, or special head lice comb you can get from a chemist, go through the hair in sections to comb the lice and eggs out.

Always re-treat 7-10 days after the first treatment, to kill any head lice that may have hatched from eggs that survived the first treatment.

TIPS

- ✓ Check and treat the hair every night
- ✓ Please tie up long hair for school
- ✓ If your child has head lice please check everyone in the family home
- ✓ Do not share hairbrushes, towels, hats/ scarves etc.
