

RYE PRIMARY SCHOOL

UNIFORM POLICY

RATIONALE

A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the Dress Code. This policy strives to ensure that all staff, students, parents and community members including visitors, are treated with respect regardless of their sex, gender identity, socio-economic status, cultural background, religious beliefs, sexual orientation or level of ability.
