Welcome to Term 2! We hope everyone had a great break and Easter holiday period after an action packed Term 1. We hope you took a moment to reflect with your child on their progress and achievements throughout term and celebrate their efforts. As a school we were very proud of the way our students settled in, engaged in their learning and their personal growth development across the 9 weeks of learning. A special congratulations to our Foundation students on finishing their first term of primary school and the wonderful start they have made to the year! Term 2 is of great importance to student learning progress; it is always strongly encouraged and expected that students are at school each day and unnecessary absences are kept to a minimum.

ANZAC Day March and Service

I would like to invite everyone to attend the Rye RSL ANZAC Day march and service that will be held on April 25th. This is an incredibly important day for us to remember and show respect to those that helped us live the lives we can today. Our school will join in the march from the Rye Pier carpark to the RSL. Our School Captains will be speaking, and our School Choir will be performing at the ceremony. It would be great to see as many Rye PS families come along as possible. To join in the march, meet at the Rye Pier at 12pm midday, for a 12.15pm step off, which will be followed by the ceremony at the Rye RSL.

New Volunteer Induction Process

Our new volunteer induction process was recently launched via Compass. There are new requirements to ensure that all volunteers have an understanding of the Child Safe Standards and expectations of volunteers when working with students at Rye Primary School. All volunteers must have a current Working with Children Check, complete the online induction and questionnaire, as well as sign the Volunteers Agreement. As there is new information in the online induction, all volunteers must complete the process even if you have attended an induction session previously.

Student Laptop Upgrades

Last term our school made an investment in purchasing a further 60 Lenovo Laptops to assist with student learning opportunities. This investment complements an already comprehensive fleet of learning technology across our school. We look forward to the devices being rolled out into classrooms throughout the term.

Annual Report / School Council

Our AGM and first School Council meeting occurred, and our annual report will be available on our website soon. We would like to acknowledge and thank the outgoing school council members - Nova Riordan, Caitlin Beattie, Kirsten Trotter, and Jane Dickenson who have been incredibly supportive throughout their time on school council. We also welcomed re-elected and new 2024 school council members - Kirsty Taylor, Geoff DeVisser, Braillen Jennings, Melissa DeCelis, Sandi Emile (staff) and Hannah Findlay (staff).

Congratulations to members who have been elected into office bearing positions - President: Kirsty Taylor, V/President: Amanda Henderson, Treasurer: Gareth Trim, Secretary / Minute Taker: Hannah Findlay.

Easter Raffle

A big thank you to everyone that purchased tickets for our fundraising Easter raffle. Due to a great response to our donations (including very generous donations from parents and a large donation by Matrix Electrical) we had 42 hampers that were wrapped by parent helpers - Braillen Jennings, Lauren Henderson & Kirsty Williams. Congratulations to the lucky winners!

Have a great week,
Lachie Featherston

S.T.R.I.V.E

Welcome back to Term 2! What a wonderful wellbeing start to the term. This week Blake Hill and Olivia Jarman participated in their special STRIVE award experience. This was a result of winning our Annual 3/4 STRIVE award last year.

Olivia and some friends went to Baldry Crossing, a beautiful part of our Peninsula. We completed a wonderful guided walk with Hudson from Living Culture alongside the course of Main Creek and through a section of Greens Bush. The walks aim to empower, education and engage people and bring them in close contact with the land. The students gained knowledge on how our bushlands were used as everyday food, medicine, and utensils in the past, and were amazed by learning about our Indigenous Culture on the Mornington Peninsula. After the completion of our walk, we were privileged to attend a Yadaki led meditation and healing with Lionel from Living Culture. No words can describe how relaxed we felt after this example of practicing mindfulness.

Blake and some of his friends attended a personalised basketball clinic at Hoop City in Carrum Downs. The students participated in a basketball clinic, completed interactive dribbling activities, refined their shooting in the shooting bays and even played a little table tennis!

Thank you to Living Culture and Hoop City for providing such wonderful experiences for our students. A massive thank you to the RSL for lending us their van to use to transport our students to the event. Thank you also to Rachel and Briony for your help on the day.

We are already looking forward to this year's Annual STRIVE 3/4 Award and which students will be awarded another wonderful experience.
